

I'm writing to express my strong objections to Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. This is a clear violation of campaign contribution laws and more to the point, a violation of public ownership of the air waves.

I urge the FCC to put a stop to Sinclair's attempt to sway the election with a last minute smear. I believe we have passed the point where media conglomeration is negatively affecting the free flow of information over our airwaves. Sinclair's abuse of it's FCC granted power should be seen as making that case.

Thank you.
